Washington, DC 20554

**Re: WC Docket No. 07-151**  
**SUPPLEMENT to the Application of North Pittsburgh Systems, Inc.**  
**and Consolidated Communications Holdings, Inc. for Grant of**  
**Authority Pursuant to Section 214 of the Communications Act of 1934**  
**to Complete a Transfer of Control**

Dear Ms. Dortch:

On behalf of Consolidated Communications Holdings, Inc. ("CCH"), this Supplement provides additional information requested by Commission staff. CCH confirms that Consolidated Communications Network Services, Inc. holds authority to operate as a CLEC in both Texas and Illinois. Further, this application also is eligible for streamlined processing pursuant to both Sections 63.03(b)(2)(ii) and (iii) of the Commission's Rules, 47 C.F.R. § 63.03(b)(2)(ii) and (iii), because, immediately following the transaction, (1) Applicants and their Affiliates (as defined in Section 3(1) of the Communications Act) together will hold less than a ten percent (10%) share of the interstate, interexchange market; (2) the Applicants and their Affiliates are a dominant carrier and a non-dominant carrier that provides services exclusively outside the geographic area where the dominant carrier is dominant; and (3) because North Pittsburgh Telephone Company and CCH's incumbent Affiliates providing local services are independent local exchange carriers (as defined in Section 64.1902 of the Commission's Rules) having, in combination, fewer than two (2) percent of the nation's subscriber lines installed in the aggregate nation-wide, and no overlapping or adjacent service areas.
